

## Market Release Note

MRN\_TS0866-67-082417

---

Product number: TS0867S

Product description: Intelligent Four Door Controller Firmware

Product version: R082417.16248

Affected parts: TS0866, TS0866B, TS0867, TS0867B

Release date: 1 November 2018

---

## Resolved Issues

- Resolved issue where time zone 42 would not work correctly
- Resolved issue where users could be lost in certain conditions
- Resolved issue where there was an excessive delay in unlocking the door when interlocking was used. Delay has now been halved.
- Resolved issue where door timer wouldn't run after cancelling shunt timer, resulting in getting a forced door alarm incorrectly

## Documentation and Downloads

Access to this firmware release is via Hills. Please contact your local Hills branch for access.

Alternatively, please speak to you Interlogix sales representative for more information on pricing and availability.
