

TruVision[®] camera mounts

Back boxes, mounts,
adapters and accessories

Overview

TruVision camera mounts by Interlogix are part of a modular system that allows users to mount TruVision cameras in a variety of positions to meet the needs of each application. TruVision camera mounts are designed for use with TruVision 360°, bullet, box, dome, PTZ, turret and wedge camera form-factors. These mounts feature rugged construction suitable for indoor and outdoor environments.

Standard features

- Compatible form factors for TruVision 360°, bullet, box, dome, PTZ, turret and wedge camera
- Rugged construction
- Integrated cable management
- Back boxes and adapters for a variety of applications
- Several mounting options for 2 gang electrical boxes
- 3-year warranty
