

# End of Sale

to new installations

# TecomC4

## NOTICE

This notice does not affect existing licensed TecomC4 installations

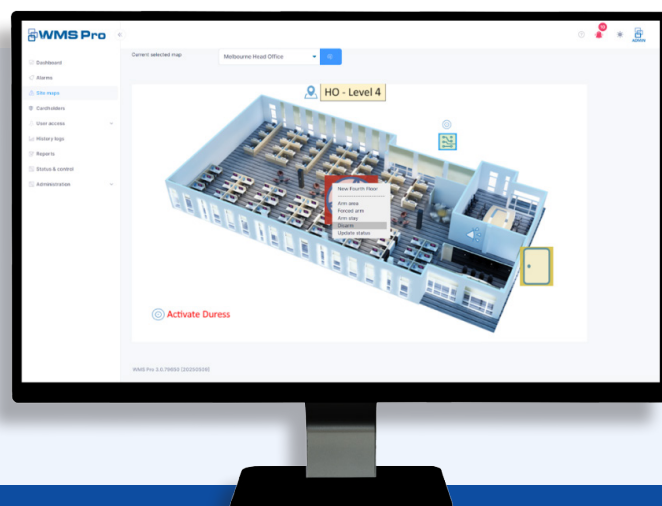

Aritech wishes to advise the **End of sale of TecomC4** to new site installations with **immediate effect**.

An additional notice will follow regarding installations with an existing TecomC4 license.

Tecom **WMS Pro** is offered as a locally designed, engineered and supported replacement for TecomC4.

Contact your Aritech distributor or sales representative for more information.
